Opening Doors Announces New Board Member

DUBUQUE (March 22, 2019) – Opening Doors is pleased to announce that Daniel Tallon joined our Board of Directors.

Daniel is the Director of Human Resources for UnityPoint Health – Finley.

Opening Doors is the nonprofit organization that operates Teresa Shelter, Maria House, and a supportive housing program at Francis Apartments. Homeless women, alone or with children, come to us to help build a new life. We provide goal setting and life skills training that will enable them to take care of themselves and achieve their full potential. We offer a hand up in the world, not a handout.

Since 2000, Opening Doors has served over 3,400 women and children through a continuum of services. Teresa Shelter offers emergency and extended stay programs. Maria House offers transitional housing for up to two years. Francis Apartments offers an opportunity for income-based affordable housing with support services; a combination that has proven to be effective at ending the cycle of homelessness. Our three doorways of hope for homeless women and children are much more than a place to sleep. We offer the opportunity for women to claim their own power and become self-sufficient.
